Choose one—or all—of these activities to support kids' learning after Bible Discovery.

## Game

- Have everyone spread out across one side of your room. Clear objects from the center of the room.
- Everyone will "travel" across the room to a new place.
- Call out a way for kids to move as they travel. Ideas include hopping, marching, leaping, and tiptoeing.
- Play as time (and energy) allows, calling out new ways to move each round.

Like you trusted that I'd guide you for how to move, **we can trust God.** (*Trust God!*) He'll guide us and help us as we move through each day.

## Food-n-Friendship

**Supplies:** snack, napkins, hand cleanser, *Music CD*, media player

## Coloring Creation

**We can trust God.** (*Trust God!*) God told Abram to try to count the stars in the sky. How many stars do you count on this picture?

- Count the stars together.
- Color the picture.
- Use glue sticks to make dots on the stars.
- Sprinkle glitter onto the glue, then gently shake off the extra glitter.
- Play music as kids create.

 "We Can Trust Him"  
(Psalm 33:4)  
(*Music CD track 6*)

## Felt Starry Skies

### Supplies

- felt pieces in various colors and sizes, child-safe scissors (optional)

*Hang a piece of dark-colored felt on a wall. Use scissors to cut smaller pieces.*

Place small pieces of felt onto the large felt piece to look like stars. Sing "Twinkle, Twinkle, Little Star" as you add stars to the "sky."

**?** Where do you go to look at the stars?

The stars shine over us at night. And God watches over us all the time. **We can trust God.**

## Chalk Homes

### Supplies

- chalk, dark-colored bulletin board paper

Use chalk to draw your home on the paper.

**?** What's your home like?

Our home drawings make a nice neighborhood. It's fun to live near friends! In our Bible story today, we'll hear about a man who had to move away from his friends. But he trusted God would be with him. **We can trust God!**
